when user will change the password. So , A notification will send automatically to user e-mail.

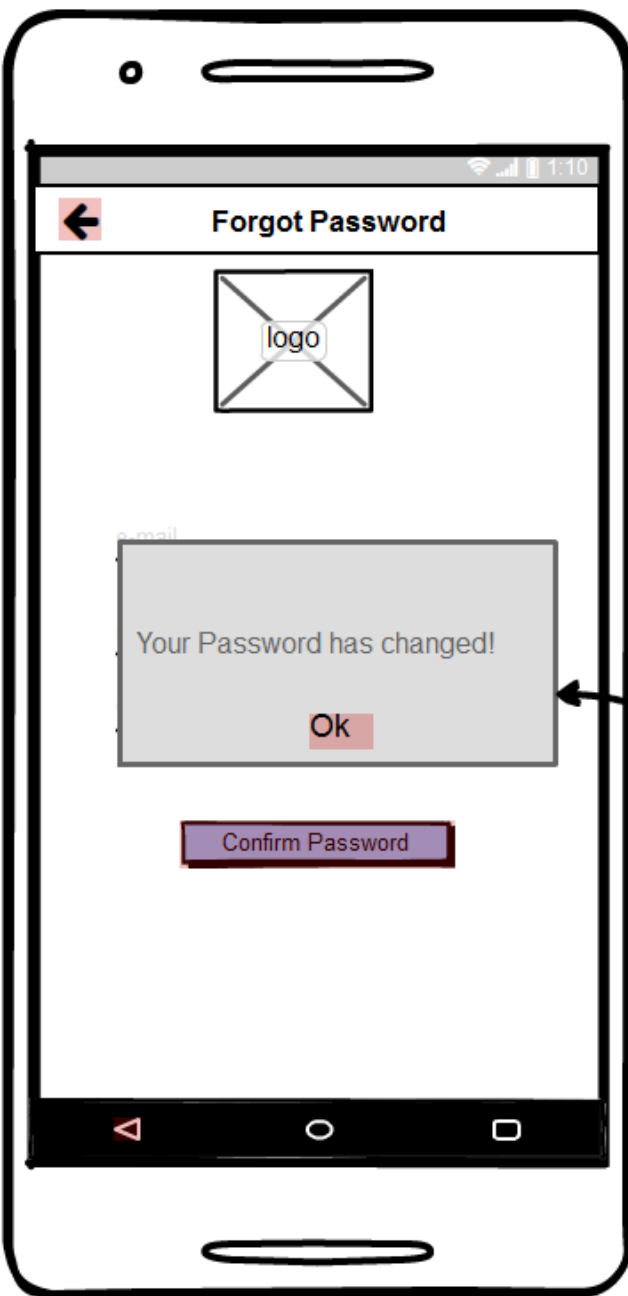

The diagram shows a mobile phone screen with a 'Forgot Password' interface. At the top, there is a status bar with a back arrow, signal strength, and the time '1:10'. Below the status bar is a header with a back arrow and the title 'Forgot Password'. The main content area contains a logo placeholder (a square with an 'X' and the word 'logo'), followed by three input fields: 'Joe3211@gmail.com', 'new Password', and 'Confirm password'. At the bottom of the form is a red button labeled 'Confirm Password'. The phone's navigation bar at the very bottom shows the back, home, and recent apps buttons.

when user will change the password. So , A notification will send automatically to user e-mail.

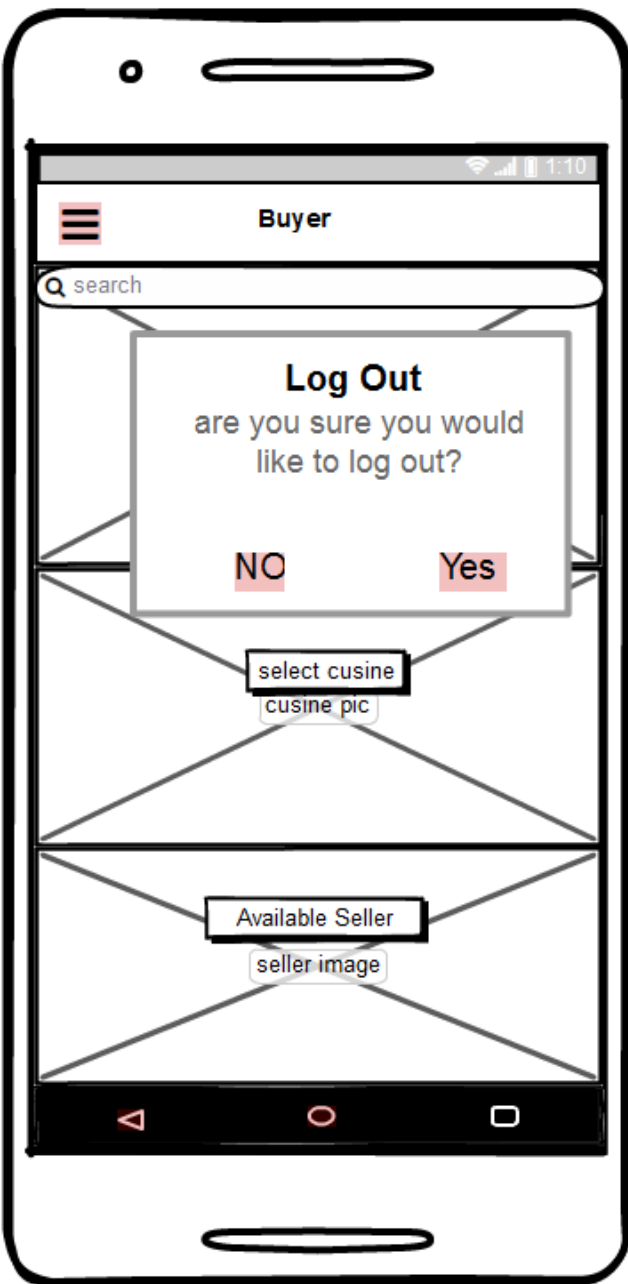

Confirm password

its give the information about confirmation of new password.

its give the information about confirmation of new password.

If user will press back button without log out. then, this message will show on screen.

Buyer profile

The image shows a smartphone screen with a 'Profile' form. At the top, there is a status bar with a Wi-Fi icon, signal strength bars, and the time '1:10'. Below the status bar is a header with a hamburger menu icon on the left, the title 'Profile' in the center, and a share icon on the right. The form itself contains a profile picture placeholder (a circle with a person icon and a camera icon), a name field with the text 'Joe', an email field with 'joe3211@gmail.com', an address field with '#8,3211 cote-des-neiges Montreal', a country field with 'Canada', a postal code field with 'H7R9L2', and a phone number field with '514-789-6756'. At the bottom of the form is a red 'Submit' button. The phone's navigation bar at the very bottom shows the back, home, and recent apps buttons.
